

NEPTUNE

CONTEMPORARY AND TRADITIONAL STREET FURNITURE

TIMBER TREATMENT - RAL 8001

We use and supply **SAYERLACK**® waterborne wood stain systems for use on all of our Hardwood products. We apply a base coat and two top coats achieving a colour similar to RAL 8001.

SAYERLACK® AM0546/85 Base coat

We recommend the application of 1 x base coat which depending on the weather should be touch dry after 1hr and thoroughly dry in 4hrs however where possible leave it 16hrs before applying your top coats. Apply using a brush or sponge ensuring the coat is light and even with any excess wiped off.

Available from us in 500ml at £8.00 + VAT

SAYERLACK® AZ9730/67 Top coat

We recommend the application of 2 x top coats which should be touch dry after 2hrs and overcoatable in 4hrs. Apply using a brush ensuring even coats with no runs.

Available from us in 1ltr at £18.00 + VAT

Delivery to UK mainland - £14.50 + VAT
